Name: _____

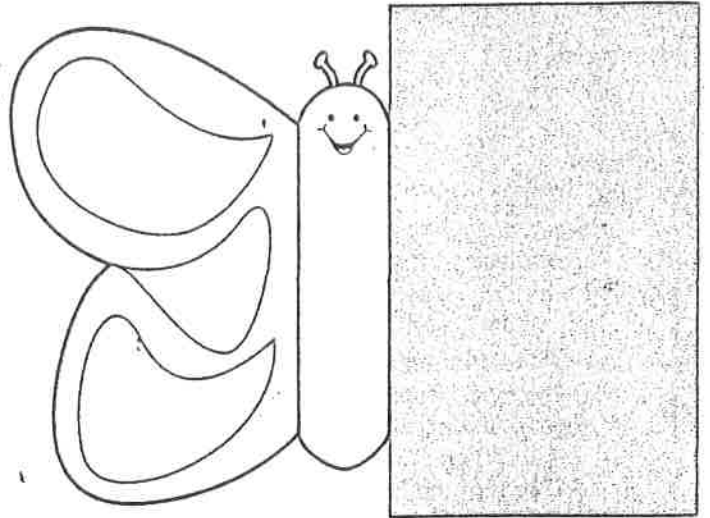

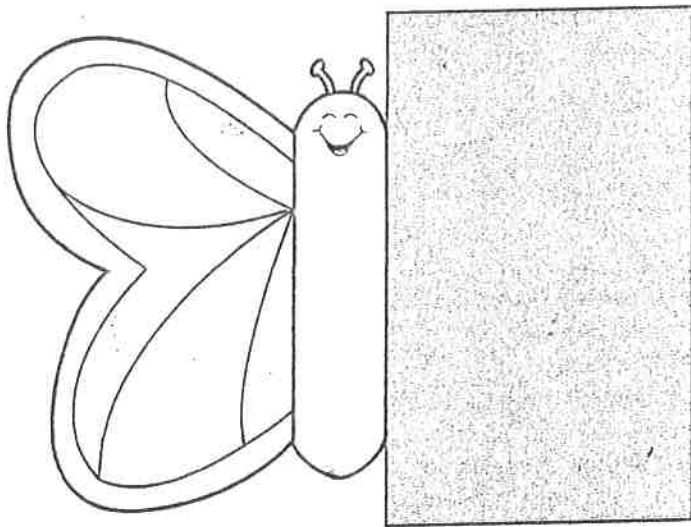

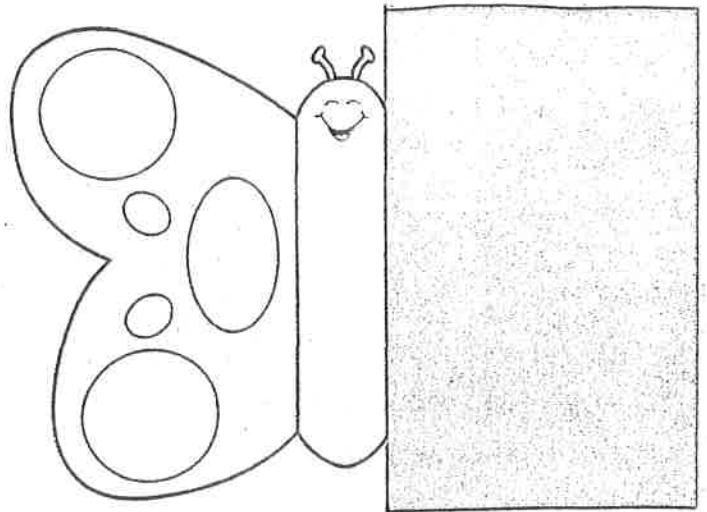

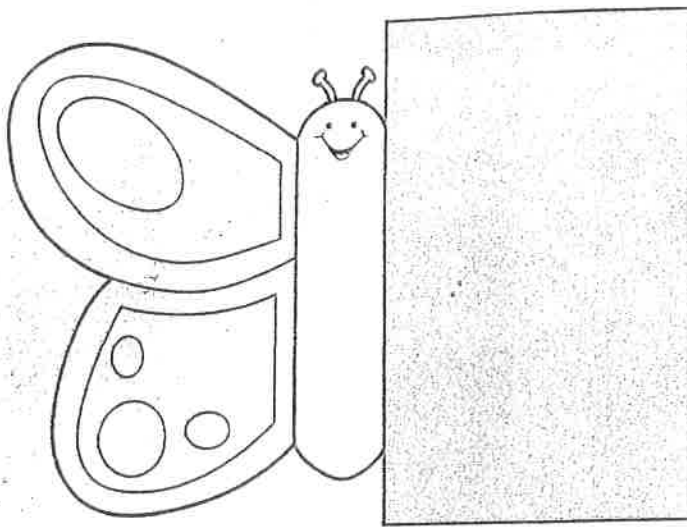

Animal Match Up

Directions: Cut & glue to match the parent with it's baby.

				

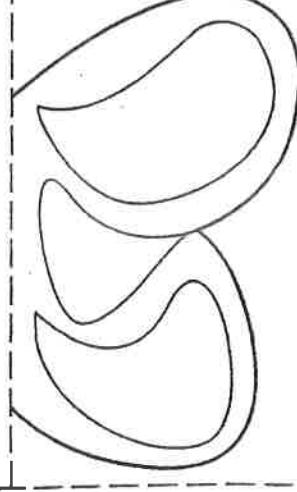

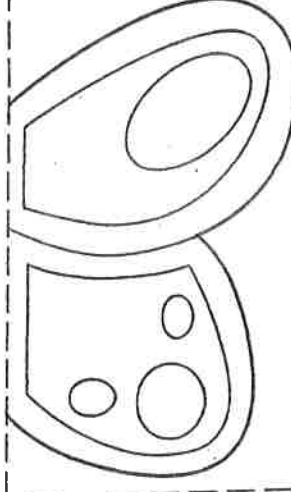

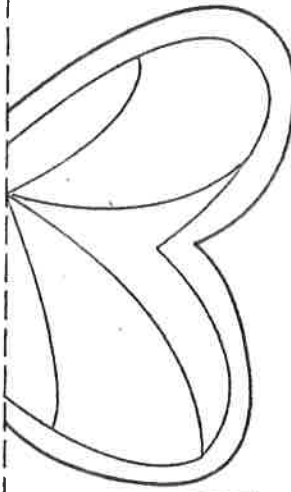

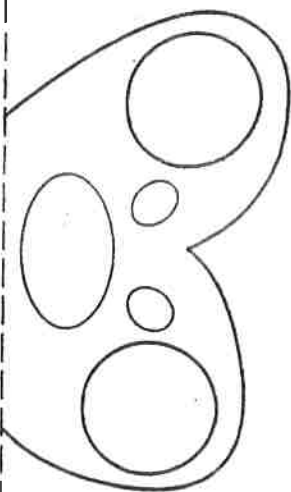

All About Butter!

©The Mailbox® • TEC41066 • April/May 2013

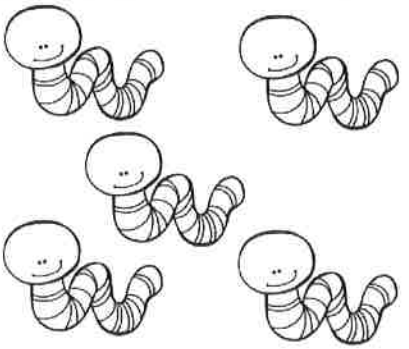

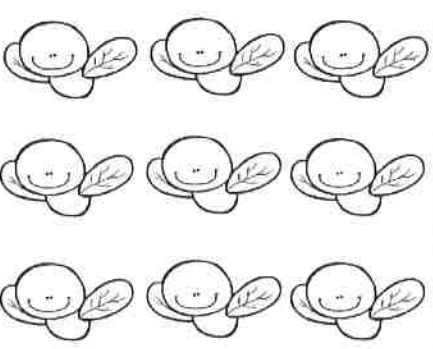

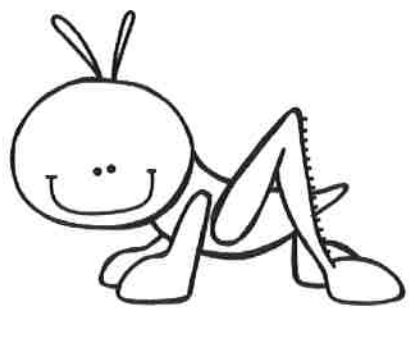

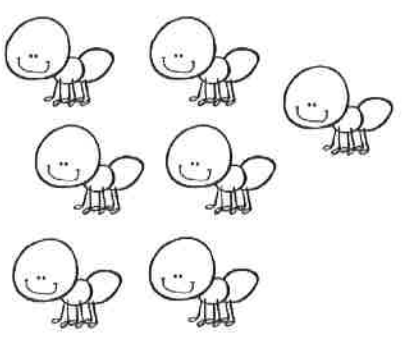

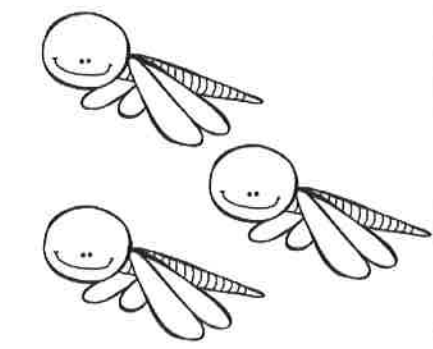

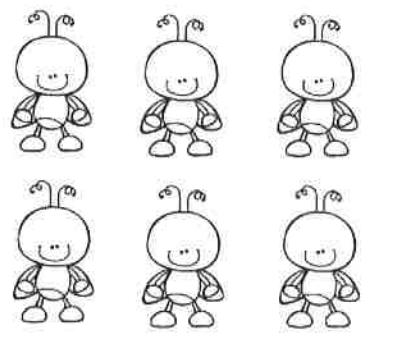

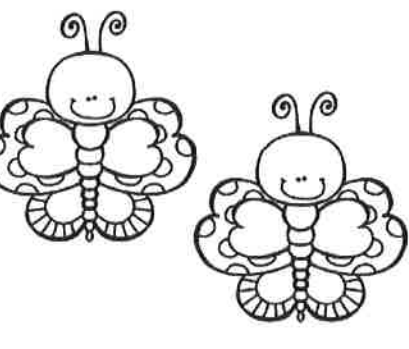

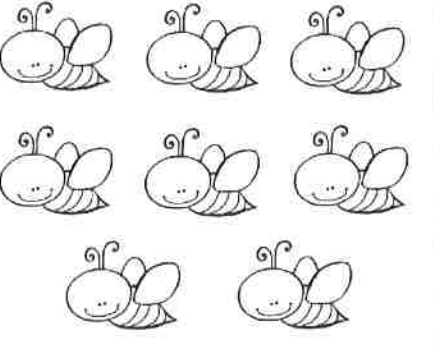

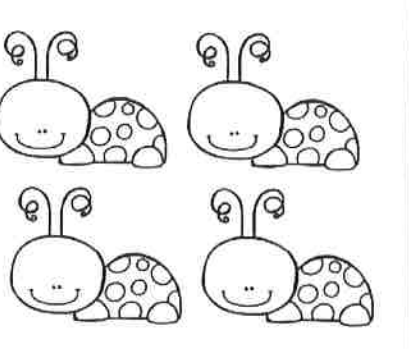

Note to the teacher: Help each child cut out the wing cards on a copy of this page. Explain that butterflies are symmetrical (the same on both sides); then have her glue each card to a box alongside its matching wing. When she's finished, invite her to color each butterfly, reminding her to color both wings the same.

Name: _____

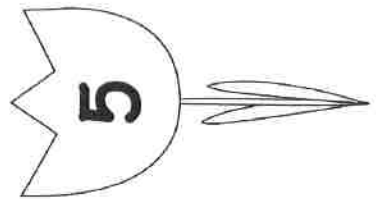

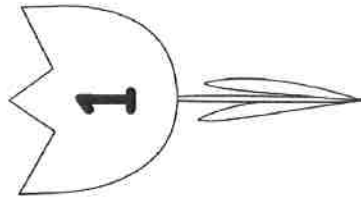

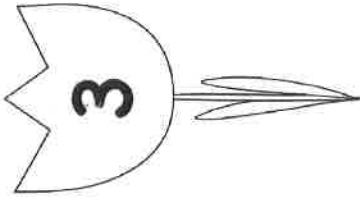

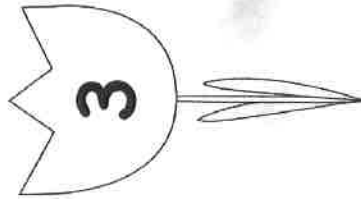

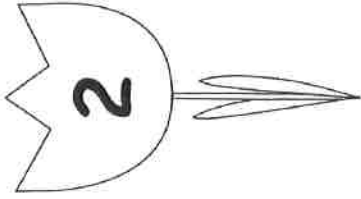

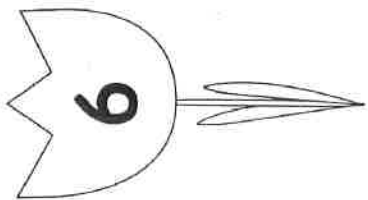

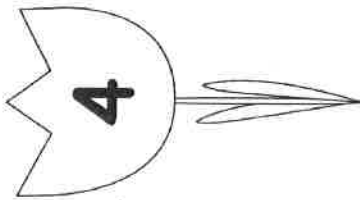

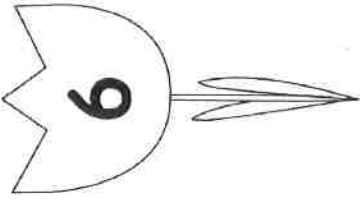

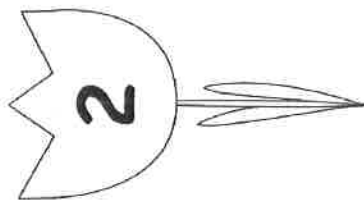

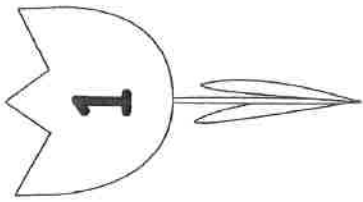

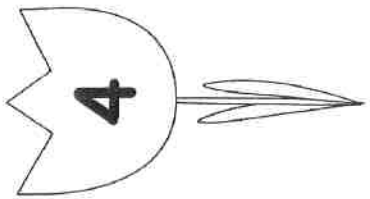

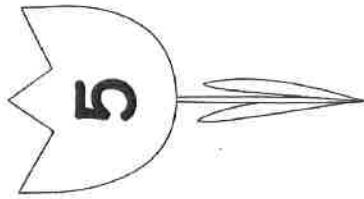

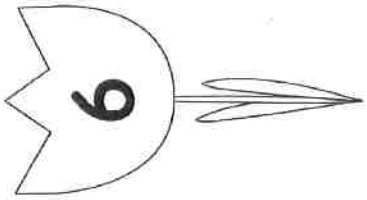

How Many Bugs?

Count the bugs. Color the box with the number that shows how many bugs.

								
5	4	6	10	8	9	2	1	3
								
6	8	7	4	3	2	6	4	5
								
3	2	1	8	6	7	5	3	4

Spring Roll and Color (1 - 6)

counting

Find 10 Baby Rabbits

A baby rabbit is called a kit. Find and circle 10 kits hiding in the garden.

Letters in My Name

Directions: Write one letter of your child's name in each box. Cut out and work with your child to arrange the letters of their name in order.

Name Writing

Directions: Write your child's name in highlighter (or light colored marker or crayon) for them to trace. Then let them write as much of their name on their own as they can, assisting as needed.

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line. There are four such sets of lines provided for writing practice.

My name _____

counting

How Many Baby Animals?

Look at the number on the parent animal. **Circle** that many of its babies.
